

**THE
YOUNG ONES
ADC**

OBJECTIVE

The Young Ones ADC Award offers college-level creatives from around the world the chance to earn a coveted ADC Cube by competing in the exact same disciplines and categories as the ADC Annual Awards. From branding to book design, from advertising to animation, from packaging to photography and everything in between, students may submit individual projects and campaigns, whether they are school assignments or personal spec work used to hone your skills. The Young Ones ADC Award is the gateway to a career of creative excellence.
